Harness IGNITE Skyfizz

Product information

Chest anchoring

Rear / dorsal D-ring

All-round harness for maintenance work and construction. With comfortable large-area and breathable back padding that ensures an even distribution of the load. The robust harness has durable plastic material tool eyelets (15 kg load capacity). The double-wrapped and firmly sewn terminations secure loose webbing and prevent slipping.
Can be hand washed up to 40°C.

Anchoring: Dorsal and sternal.
