Construction Harness Miller®

Product information

Rear / dorsal D-ring

Chest anchoring

The Polyester Vest Style Construction fall arrest harness is perfect for any general working at height application.

- Frontal d-ring for fall arrest.
- Rear fall arrest d-ring
- Vest style makes it easy to don.
- Equipped with a label pack housing all relevant harness information including donning instruction, connection to instructions and inspection grid. The label pack is also equipped with an oversized pull-free lanyard ring enabling the user to temporarily park the lanyard.
- Fully adjustable chest strap, shoulder straps and leg straps.
- All attachment points are clearly labelled and define the attachment's application.
- Brightly coloured webbing enables the user to be easily identified whilst working at heights.
