Adjustable Lanyard Miller® Sharp Edge

Product information

Adjustable sharp edge lanyard with energy absorber on rope adjuster with TAK.

Offers workers the ideal solution when working near sharp edges. Versatile and suitable for a variety of fall arrest applications. It has the energy absorber attached to the Rope Adjuster. The hardware featured is a Triple Action Karabiner rated at 50kN with a gate opening of 26mm.

- External energy absorber which allows for visual indication of a sustained fall.
- For use in fall arrest situations where the free fall doesn't exceed 2 metres.
- When estimating free fall distances the extension of the energy absorber must be taken into consideration. The maximum energy absorber deployment is 1.75 metres.
- Adjustable lanyards allows the user to minimise fall risks by adjusting the lanyard to suit the job.
- Manufactured out of robust kernmantle rope for greater abrasion resistance
