Waterboy

Product information

Constructed from synthetic rubber for heat insulation, the GRIPPS® Waterboy boasts a top securing flap engineered to enable full functionality of spray cans within the holster, along with convenient access to water bottle pop-tops and screw tops.

Equipped with a load-rated poly D-ring, the holster ensures secure tethering against drops.

Easily attachable to any standard belt via its built-in metal clip, the GRIPPS® Waterboy offers versatile carrying options, and keeps your drinks cold.

Features:

- Insulated synthetic rubber design that can stretch to accommodate most size bottles and cans.
- Full functionality of spray cans and screw/pop-top water bottles whilst in the holster.
