ChainBuddy XL Large Mobile Chainsling Caddy

Product information

The Chain Buddy XL is a mobile rigging caddy that provides for the tidy storage of medium to large chain slings and rigging equipment with an enormous capacity of 700kg.

It is ideally suited for 20mm 1-2 leg – 32mm 1-2 leg chain sling assemblies.

The ChainBuddy XL allows the user to easily transport chain slings to and from the crane with minimal to no manual handling, and has the ability to directly lift and lower chains and rigging gear into and out of the caddy; keeping chain legs tidy and orderly and providing for safer handling for your workforce.

The Chain Buddy XL comes with a XL ChainBracket to support the larger oblong links.

- Forkable base
- Handle bars for easy maneuvering
- HD roller bearing castor wheels
- Adjustable oblong link bracket
- Meets relevant Australian Standards
- Supplied with Certificate of Conformity and assembly instructions.
