Wall Rigging Bay 2

Product information

The Wall Rigging Bay 2 is a medium duty, single-sided rack with a deep chain tray and a capacity of 300kgs. It is ideal for containers, lofts and walls.

The SR50-2 boasts 57 pins and comes with floor, wall and joining brackets, so that the unit can be secured into place. The Wall Rigging Bay 2 comes with the option of a top shelf, perfect for the storage of those boxes and items that can't be hung up and out of the way.

- Supplied with heavy base tray for keeping hand chains, large slings and low slings and chains off the ground.
- Supplied standard with floor, wall and joining brackets
- Engineered Design
- Meets relevant Australian Standards – supplied with Certificate of Conformity.
- Comes standard in kit form and is easily assembled.
