Chain Block OzBlock

Product information

Lift, suspend and lower heavy loads with our range of VDS chain blocks. Manual, portable and easy to maintain, these robust and versatile chain blocks are safe and reliable, with a unique handwheel cover with rolled edges, allowing for the hand chain to be operated from various angles.

Features:

- Cast steel safety latches
- Super strength zinc plated alloy load chain
- Lower hook complete with thrust race bearing
- Fully machined lift wheels, supported by needle roller bearings
- Weather protected automatic Weston brake with unique Twin Pawls
