

Chain Block Loadsafe OzBlok

Product information

Durable and robust, all Loadsafe chain hoists are fitted with an overload activated clutch, limiting the maximum operating force and allowing for greater operator protection from injury and the hoist from damage.

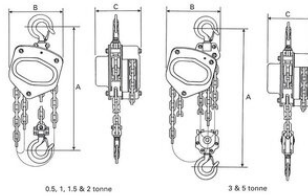

Features:

- Unique hand wheel and free wheel design
- Hook tip with cast steel self-locking latches
- Fully machined lift wheel, supported by needle roller bearings
- Lower hook complete with thrust race bearing
- Factory proof tested to 1.5x W.L.L.
